

Confession for Unsaved Loved Ones

Father, in the Name of Jesus, we come before You in prayer and faith believing that all things are possible with You. We believe Your Word and You watch over Your Word to perform it. You wish above all things that all men should be saved. Therefore, Father, we bring (our unsaved loved ones) before You to be saved, Now! You said that we can have whatsoever we say. We say, in the Name of Jesus, (our loved ones) are saved, Now! Salvation has come to (our loved ones') house, Now! In Jesus' Name!

Spirit-filled laborers cross their paths, Now! Presenting the clear, concise gospel to (our loved ones) that they will not be able to resist.

Satan in the Name of Jesus, we bind your blinding spirit of antichrist and loose you from your assignment against (our loved ones) who have the opportunity to make Jesus Lord of their lives.

Now, Father, we release the angels to do spiritual warfare on (our loved ones) behalf- bringing full repentance, in Jesus' Name. We praise You now, Father, for this is so, in Jesus' Name. Amen! Amen!
